

## ABC Boogie

Bill Haley

Down around the corner in a little school  
Children learn their lessons and the golden rule  
'Cause they got a teacher up from Basin Street  
And she does her teaching with a boogie beat  
Teachin' the ABC with rhtyhtm and E.

Every single morning, it's the same old thing  
All the kids are waiting for the bell to ring  
When they hear it ringing, they all jump in line  
Walking to the classroom, feeling mighty fine  
They learn their ABC with rhtyhbm and E.

Well, a-reading, writing, arithmetic  
Taught to the tune of a liquorice stick  
No education is ever complete  
Without a boogie-woogie-woogie beat, well all reet.

When the day is over and it's time to go  
The children get their books and stand right at the door  
Teacher is so happy, because she's done her bit  
To educate the kids and make 'em really fit  
To say their ABC with rhtyhbm and E.
