

# Mary, Mary Lou

Bill Haley

Mary, Mary Lou  
Why must you do  
The things that you always do?

I've been here a-cryin'  
Sippin' and a-sighin'  
To think it's only over you

The other night you told me  
You were gonna marry  
Someone who's in love with you

And all this time I used to  
Be your golden rooster  
But now, I can see that we are through  
Wow-wow-wow

Mary, Mary, Mary Lou  
What in the world is the matter with you?  
You know that doin' me so wrong

Oh, Mary, Mary, Mary Lou  
What in the world is the matter with you?  
But now, you want to say so long

(2x)

Mary, Mary, Mary Lou  
What in the world is the matter with you?  
Mary, Mary, Mary Lou  
What in the world is the matter with you?
