

# Rockin' Through The Rye

Bill Haley

If a body digs a body  
Rockin' through the rye  
If a body digs a body  
Need a body cry

Every lassie digs a laddie  
Nane, they say, hey I  
Yet all the lassies rock with me  
When rockin' through the rye

The Campbells are rocking  
The blues away  
The Campbells are rocking  
The blues away

There ain't no stopping it  
Man, they're bopping it  
Gang a wild, gang a wild  
Go, man, go

Bonnie me lassie is on the beat  
Bonnie me lassie is rocking reet  
I'd be laddie it's a fitting  
That I had it

Gang a wild  
Let's go rockin' in the rye

Let's rock this way, says Bonnie  
And the bluebells lost the blues  
They were jumping in the heather  
Like a knocked out feather  
Hey, dig that crazy news

The Campbells are  
Rocking the blues away  
The Campbells are  
Rocking the blues away

Man, let's give it up  
Give it up, give it up  
Gang a wild  
Let's go rockin' in the rye

Let's rock this way, says Bonnie  
And the bluebells lost the blues  
They were jumping in the heather  
Like a knocked out feather  
Hey, dig that crazy news

The Campbells are  
Rocking the blues away  
The Campbells are  
Rocking the blues away

Man, let's live it up  
Live it up, live it up

Gang a wild  
Let's go rockin' in the rye

Gang a wild  
Let's go rockin' in the rye  
Gang a wild  
Let's go rockin' in the rye
