

# Don't Know Much

Bill Medley

Look at this face  
I know the years are showing  
And look at this life  
I still don't know where it's going

[CHORUS]  
I don't know much  
But I know I love you  
And that may be all  
I need to know

Look at these eyes  
They never see what matters  
And look at these dreams  
So beaten and so battered

[Repeat CHORUS]

So many questions  
Still left unanswered  
So much I've never broken through

But when I feel you near me  
Sometimes I see so clearly  
The only truth I've ever known  
Is loving you

Look at this man  
So blessed with inspiration  
And look at this soul  
Still searching for salvation

[Repeat CHORUS]

Yes, Lord

[Repeat CHORUS 2x]

That's all I need to know
