Come Go With Me

Bill Monroe

Come go with me to yonder valley Where we once stood beneath the tree Where we once planned our life together I can't forget come go with me

Come let us live some moments over Then maybe you won't want to leave I love you then and will forever I can't forget come go with me

I can't forget the flowers blooming
The rose that I pick for you
Time changed you but I'm not changing
I loved you then and I still do

Come go with me to yonder valley Where on the largest of the trees I'll carve your name to prove I love you I can't forget come go with me

I love you then and I still do
