

How Will I Explain About You

Bill Monroe

You left me, my darling to travel alone
My heart is so lonely and blue
When friends ask about you why you're not around
How will I explain about you

How will I explain about you
They know I've been faithful and true
So when they start asking why you're not around
How will I explain about you

They saw us together for such a long time
They knew that I loved you so true
But now that you've gone and I'm left all alone
How will I explain about you

How will I explain about you
I can't let them know that we're through
They wouldn't believe it could ever be true
How will I explain about you

How will I explain about you
I'm leaving it all up to you
And if you insist that our pathway must part
How will I explain about you
