I'm Rolling On

Bill Monroe

I wish I was in the Southland sitting in a chair With one arm around my old guitar And the other one around my dear

I'm rolling on (I'm rolling on)
I'm rolling on (I'm rolling on)
I'm rolling on through life just rolling on

Sitting in the moonlight blue as blue can be Strumming on my old guitar To give my poor heart ease

Whether I'm in the country whether I'm in the town My old guitar is near me
Whether I'm up or down

Maybe I will marry if I can find a girl But I'll always love my guitar As much as I love her
