

Let the Light Shine Down On Me

Bill Monroe

I want to do what's right so I need's God's light
Shining down on me so I can see
I must learn His ways so I'll never stray
Let the light shine down on me

Let the light shine down
Let the light shine down
Let the light shine down so I can see
There's a lesson I must learn
There's some bridges I must burn
Let the light shine down on me

Those that follow Him eternal life shall win
He died to set us free
If you trust and believe his blessing you'll receive
Let the light shine down on me

Let the light shine down
Let the light shine down
Let the light shine down so I can see
There's a lesson I must learn
There's some bridges I must burn
Let the light shine down on me

I have heard folks say that there will come a day
When He'll drag all the rocks to fall
The worlds in darkness bounds in the light somehow
Let the light shine down on us all

Let the light shine down
Let the light shine down
Let the light shine down so I can see
There's a lesson I must learn
There's some bridges I must burn
Let the light shine down on me
