No Letter In The Mail

Bill Monroe

No answer to my love letter To sooth my achin' heart Why did God ever permit True love like ours to part

No letter in the mail today No answer from my love Nobody knows what I've been through No one but God above

This is what I wrote to her I know I'm to blame Let me prove my love for you Then I'll sign my name

I'm walking down this lonesome road Travellin' while I pine If there's no letter in the box I'll leave this world behind
