Nobody Loves Me

Bill Monroe

Nobody loves me nobody cares

If life is empty and full of tears

I long for new love searched everywhere

Nobody loves me nobody cares

Searchin' for true love has been in vain Through years my heart has suffered with pain Life's lonesome burden now I must bear Nobody loves me nobody cares

Nights on my pillow I dream of you Through space I gaze at the stars above They seem to whisper from way up there Nobody loves me nobody cares

A lonesome heart and a troubled mind
In this old world now is all I find
I look to heaven for I know there
Someone will love me someone will care
