

# Sitting Alone In The Moonlight

Bill Monroe

Sitting alone in the moonlight  
Thinking of the days gone by  
Wondering about my darling  
I can still hear her saying goodbye

Oh, the moon grows pale as I sit here  
Each little star seems to whisper and say  
Your sweetheart has found another  
And now she's far, far away

Sitting alone in the moonlight  
Thinking of the days gone by  
Wondering about my darling  
I can still hear her saying goodbye

Oh, the moon grows pale as I sit here  
Each little star seems to whisper and say  
Your sweetheart has found another  
And now she's far, far away
