## **True Life Blues**

## **Bill Monroe**

I hate to see the sun sink low Just for a cause you ought to know For it's true love I can't forget All of my sorrow you'll soon regret

You promised me love that was true
And I'm sorry to say that I believed in you
It's all turned out just like a dream
Left me so sad in the world it seems

There's dishes to wash and a house to clean There's washing to do, oh it seems so mean There's a million words I can't explain Think of this girl, before you change your name

They'll go away and leave you at home They never care if you're alone They seem to forget they've got a wife This story is sad, but it's a true life
