

## You Won't Be Satisfied That Way

Bill Monroe

I tried to tell you how I loved you  
And I tried to tell you night and day  
But when I'm gone no more to see you  
Honey you won't be satisfied that way

I'll leave you now if you don't want me  
I'll leave you anytime you say  
But when I'm gone no more to see you  
Honey you won't be satisfied that way
