

# Growth

Bill Ward

Near a lake  
Compelled, I made a start  
The kind that comes when feeling torn apart  
I daren't believe it  
Drained through holes, just like you and me  
Past the words of insincerity  
I daren't believe it  
No, no, no, no, no, no, no  
I just didn't want to believe it  
But the truths let me in  
Yeh yeh yeh yeh yeh yeh yeh

Lift me up  
Lift me up  
Take me down to where the calm is  
Where my lies deny the light is  
Lift me up  
Lift me up  
Past the years and years of feeding

My distortions and my bleeding  
'Cause I daren't believe it  
No, no, no, no, no, no, no  
I just didn't want to believe it  
But the truths let me in  
Truths let me in  
Yeh yeh yeh yeh yeh yeh yeh

I said I daren't believe it  
No, no, no, no, no, no, no  
I just didn't want to believe it  
But the truths let me in  
Let me in yeh  
Yeh yeh yeh yeh yeh yeh yeh

Growing up, I feared the boy  
And who he was, I just ignored him  
Weightless eyes, it's come to this  
I have to trust what's healthy for him  
Oh dear, is that my tear

Growing up, I watched the boy  
He turned to freedoms that could numb forever  
Then a kiss, a final kiss  
Gave closure to what was  
In not one minute  
Oh my, home from the big lie

An imminent clear passage  
Sends a chill into my back  
And what's more threatening now  
Is that there's no way to turn back  
I, friend of mine, friend of mine  
Don't know what to say, time out, time out  
Don't know where we can go from here, Love  
I'm friend of mine, friend of mine  
Finally meeting you, time out, time out

Don't know where we go from here, love  
OK  
OK

When I was a child,  
I heard you calling  
When I was a child,  
I took the heat  
I heard you calling  
But I couldn't stand up  
On my two feet  
And I kept watching you  
I was watching you  
And I'd follow all the things  
You'd have to do  
Yes all the time  
I kept hearing you  
I was hearing you  
And I really liked an awful lot of you  
Most of the time

And now I've learned  
That when I'm ready to trust  
I'll let you know  
I said when I feel like I am ready to trust  
I'll let you know
