

# I Wish You Well

Bill Withers

I wish you flowers sunshine and smiles  
I wish you children that grow to make you proud  
I wish you pretty things to wear  
Sweet things to smell

I wish you well  
I wish you well  
I wish you well  
I wish you well

I wish you good friends that always treat you fair  
Wanna wish you ribbons to tie around your hair  
I wish you truckloads of cheer and many happy years

I wish you well  
I wish you well  
I wish you well  
I wish you well

Wanna wish you freedom to do the things you love  
I wish you blessings and kindness from above  
Wanna wish you sunlight through the clouds  
And I hope you laugh out loud

I wish you well  
I wish you well  
I wish you well  
I wish you well
