

## Use Me

Bill Withers

My friends feel it's their appointed duty  
They keep trying to tell me here  
All you want to do is use me  
But my answer, yeah to all that use me stuff

I, I, I, is that I wanna spread the news  
That if it feels this good getting used  
Oh you just keep on using me until you use me up  
Until you use me up

My brother sit me right down and he talked to me  
He told me that I ought not to let you just walk on me  
And I'm sure he meant well, yeah, but when our talk was through

I, I, I said brother if you only knew  
You'd wish that you were in my shoes  
You just keep on using me until you use me up  
Until you use me up

Oh sometimes, yeah, it's true you really do abuse me  
You get me in a crowd of high class people  
And then you act real rude to me  
But oh baby, baby, baby, baby, when you love me, I can't get en  
ough

I and I wanna spread the news  
That if it feels this good getting used  
Oh you just keep on using me until you use me up  
Until you use me up

Talking about you using me  
But it all depends on what you do  
It ain't too bad the way you're using me  
'Cause I sure am using you to do the things you do
