Use Me

Bill Withers

My friends feel it's their appointed duty They keep trying to tell me here All you want to do is use me But my answer, yeah to all that use me stuff

I, I, I, is that I wanna spread the news That if it feels this good getting used Oh you just keep on using me until you use me up Until you use me up

My brother sit me right down and he talked to me He told me that I ought not to let you just walk on me And I'm sure he meant well, yeah, but when our talk was through

I, I, I said brother if you only knew You'd wish that you were in my shoes You just keep on using me until you use me up Until you use me up

Oh sometimes, yeah, it's true you really do abuse me You get me in a crowd of high class people And then you act real rude to me But oh baby, baby, baby, baby, when you love me, I can't get en ough

I and I wanna spread the news That if it feels this good getting used Oh you just keep on using me until you use me up Until you use me up

Talking about you using me But it all depends on what you do It ain't too bad the way you're using me 'Cause I sure am using you to do the things you do
