

Love Letters

Bill Wyman

Love letters straight from your heart
Keep us so near while we're apart
I'm not alone in the night
When I can have all the love you write

I memorize every line
And I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart

I'm not alone in the night
When I can have all the love you write

I memorize every line
And I kiss the name that you sign
And darling, then I read again
Right from the start
Love letters straight from your heart
