

This Strange Effect

Bill Wyman

You've got this strange effect on me
And I like it
You've got this strange effect on me
And I like it
You make this world seem right
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like it
And I like the way you kiss me
Don't know if I should
But this feeling, it's love and I know it
That's why I feel good
And I like it, and I like it
You make this world seem right
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like it
You make my world seem right
You make this darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like it
And I like it, and I like it
