Comes Love

Billie Holiday

Comes a rainstorm, get your rubbers on your feet Comes a snow-storm, you can get a little heat Comes love, nothing can be done.

Comes a fire, then you know just what to do Blow a tire, you can buy another sure Comes love, nothing can be done.

Don't try hiding cause there isn't any use You start sliding when your heart turns on the juice

Comes a headache, you can lose it in a day Comes a toothache, see your dentist right away Comes love, nothing can be done.

Comes a heat-wave, you can hurry to the shore Comes the summer, you can hide behind the door Comes love, nothing can be done.

Comes the measles, you can quarrantine the room Comes a mousy, you can chase it with the broom Comes love, nothing can be done.

That's all brother, if you've ever been in love That's all, brother, you know what I'm speaking of

Comes a nightmare, you can always stay awake Comes depression, you may get another break Comes love, nothing can be done.
