

Everything I Have Is Yours

Billie Holiday

Everything I have is yours
You are part of me
Everything I have is yours
My destiny

I would gladly give the sun to you
If the sun were only mine
I would gladly give the earth to you
And the stars that shine
Everything that I possess, I offer you

Let my dream of happiness come through
I'll be happy just to spend my life
Waiting at your back end call
Everything I have is yours
My life, my all

Everything I have is yours
You are part of me
Everything I have is yours
My destiny

I would gladly give the sun to you
If the sun were only mine
I would gladly give the earth to you
And the stars that shine
Everything that I possess, I offer to you

Let my dream of happiness come through
I'll be happy just to spend my life
Waiting at your back end call
Everything I have is yours
My life, my all
