## **Everything I Have Is Yours**

## **Billie Holiday**

Everything I have is yours You are part of me Everything I have is yours My destiny

I would gladly give the sun to you
If the sun were only mine
I would gladly give the earth to you
And the stars that shine
Everything that I posses, I offer you

Let my dream of happiness come through I'll be happy just to spent my life Waiting at your back end call Everything I have is yours
My life, my all

Everything I have is yours You are part of me Everything I have is yours My destiny

I would gladly give the sun to you
If the sun were only mine
I would gladly give the earth to you
And the stars that shine
Everything that I posses, I offer to you

Let my dream of happiness come through I'll be happy just to spent my life Waiting at your back end call Everything I have is yours
My life, my all
