

Gone with the Wind

Billie Holiday

Gone with the wind
Just like a leaf that has blown away
Gone with the wind
My romance has flown away

Yesterday's kisses are still on my lips
I had a lifetime of heaven at my fingertips

Now all is gone
Gone is the rapture that filled my heart
Gone with the wind
The gladness that thrilled my heart

Just like a flame love burned brightly
Then became an empty smoke dream
That has gone with the wind
