

If the Moon Turns Green

Billie Holiday

If the moon turns green
And shadows get up and walk around
Clouds come tumbling to the ground
I wouldn't be surprised
As didn't you fall in love with me

If the stars turn blue
And willows that weep began to sing
Winter changes into spring
I wouldn't raise my eyes
'Cause didn't you fall in love with me

I thought I was foolish to think of romance
With someone as charming as you
I thought I was hoping without any chance
Then every hope came true

If the moon turns green
And rivers began to flow upstream
This is all a crazy dream
I wouldn't be surprised
Anything can happen
If you can fall in love with me

I thought I was foolish to think of romance
With someone as charming as you
I thought I was hoping without any chance
Then every hope came true

If the moon turns green
And rivers began to flow upstream
This is all a crazy dream
I wouldn't be surprised
'Cause anything can happen
If you can fall in love with me
