

## Some Other Spring

Billie Holiday

Some other spring  
I'll try to love  
Now I still cling  
To faded blossoms  
Fresh from worn  
Left chrushed and torn  
Like the love affair I mourn

Some other spring  
When twilight falls  
Will the night bring  
Another to me?

Not your kind  
But let me find  
It's not true that love is blind  
Sunshine's around me  
But deep in my heart it's cold as ice  
Love, once you've found me  
But can that story unfold twice?

Some other spring  
Will my heart awake?  
Stirring to sing  
Love's magic music  
Then forget the old duet  
Love in some other spring?  
Spring?
