

## You'd Be So Easy to Love

Billie Holiday

I know too well that I'm  
Just wasting precious time  
In thinking such a thing could be  
That you could ever care for me

I'm sure you hate to hear  
That I adore you, dear  
But grant me just the same  
I'm not entirely to blame for love

You'd be so easy to love  
So easy to idolize all others above  
So worth the yearning for  
So swell to keep every home fire burning for

We'd be so grand at the game  
So carefree together that it does seem a shame  
That you can't see your future with me  
'Cause you'd be, oh, so easy to love
