

# I'll Share My World With You

Billie Jo Spears

I'll share my world with you everything that I own  
My earthly possessions there's no good if I'm alone  
Let me bring you the sunshine when it's fresh with morning dew  
Can't you see that I'm waiting to share my world with you  
I'll share my world with you if you'll be mine alone  
I'll give you a new heart you're the only love it's known  
Let me give you my two arms they'll be happy if you do  
Can't you see they are waiting to share my world with you  
[ steel ]  
I'll share my world with you everything that we'll see  
Divide all the memories one for you and one for me  
Let me give you my two lips they'll be smilin' if you do  
Can't you see they are waiting to share my world with you
