

I Stayed Long Enough

Billie Jo Spears

Accidentally, in your arms
And that's all it took
Knowing how you want and need me
With just one look

To leave you, now
Is something you should know, that I can't do
'Cause I stayed long enough to fall in love with you
Long enough to know that, what I feel won't go away

Just looking won't be near enough after today
Everything I need, is everything I see in you
I stayed long enough to fall in love with you

Long enough to know
I stayed long enough
To fall in love with you
