

# It Makes No Difference Now

Billie Jo Spears

Makes no difference now what kind of life fate hands me  
I'll get along without you now that's plain to see  
I don't care what happens next 'cause I'll get by somehow  
I don't worry 'cause it makes no difference now

It was just a year ago when I first met you  
I learned to love you and I thought you loved me too  
But now that's all in the past and I'll forget somehow  
I don't worry 'cause it makes no difference now

Now that we have really parted I can't believe we're through  
I don't blame myself and I'm sure I can't blame you  
I know that something had to happen and it happened somehow  
I don't worry 'cause it makes no difference now

After all is said and done I'll soon forget you  
Although I know that it will be so hard to do  
Let things happen as they will and I'll get by somehow  
I don't worry 'cause it makes no difference now
