Just The Way You Are

Billie Jo Spears

Don't go changing, to try and please me
You never let me down before
Don't imagine you're too familiar
And I don't see you anymore
I wouldn't leave you in times of trouble
We never could have come this far
I took the good times, I'll take the bad times
I'll take you just the way you are

Don't go trying some new fashion Don't change the color of your hair You always have my unspoken passion Although I might not seem to care

I don't want clever conversation
I never want to work that hard
I just want someone that I can talk to
I want you just the way you are.

I need to know that you will always be The same old someone that I knew What will it take till you believe in me The way that I believe in you.

I said I love you and that's forever And this I promise from the heart I could not love you any better I love you just the way you are.
