

# Love Takes Care Of Me

Billie Jo Spears

Cause your love takes good care of me yes your love takes good care of me

And when the rain falls and the wind blows and the storm is on the sea

I'll be safe your love takes care of me

When life for me gets weary and the sun refuses to shine

I run to the arms of the one I love and there I'll hide

You know just what to do and say you make my life worthwhile

And when I look upon your face I see heaven in your smile

Cause your love takes good care of me...

I'll be safe your love takes care of me
