The Loving Kind

Billie Jo Spears

Somewhere I heard these words one time Love is like a clinging vine Wrap me 'round your heart And 'round your mind I've never had to cling to you 'Cause I have no fear of losin' you Our love is not a clinging vine It's the lovin' kind Somewhere I let read these words one time Love is like a glass of wine Aging made it sweeter and so fine It's no better now than before 'Cause we've got the best and there's nothin' more Our love is not a glass of wine It's the lovin' kind Let them write their fancy words For people who have never heard or tasted A love like yours and mine Ours is not a clinging vine And it's certainly not a glass of wine It's love And our love is the lovin' kind Our love is not a clinging vine And it's certainly not a glass of wine It's love And our love is the lovin' kind
