True Love

Billie Jo Spears

I give to you and you give to me True love, true love So on and on it will always be True love, true love

For you and I have a guardian angel On high with nothing to do But to give to you and to give to me Love forever true

(I give to you and you give to me) True love, true love (So on and on it will always be) True love, true love

For you and I have a guardian angel On high with nothing to do But to give to you and to give to me Love forever true
