

Wrong Road Again

Billie Jo Spears

I can't seem to learn not to love you you get to me every time
You're someone I just can't say no to you're so good at changin'
' my mind

Here I go down that wrong road again goin' back where I've already been

Even knowing where it will end here I go down that wrong road again

Though I see the web that you're weavin' you and your soft easy line

Before I stop to think I'm believin' and I'm fallin' for you on e more time

Here I go down that wrong road again...

Here I go down that wrong road again...

Here I go down that wrong road again...
