

Yours Love

Billie Jo Spears

May each moment I live be yours love may the best I can give be
yours love
And from this moment on may a love that is strong and lives on
and on be yours love
May the sons that I raise be yours love may the comforts I prai
se be yours love
If I ever get weak may the love words I speak and the arms that
I seek be yours love
May the Lord's shining grace be yours love may the happiest fac
e be yours love
May the last fingertips that touch these two lips as life from
me slips be yours love
