

# I Hope You're Happy Now

Billie Myers

Shallow waters  
Age old ghosts  
Footprints on thin ice  
I'm barely breathing  
Lost at sea  
Rainbows black and green

I hope you're happy now  
I hope you're happy now  
I hope you're happy now  
I'm on my own

When you kissed me  
You painted me cold  
Daylight in midnight's arms  
Velvet pictures  
Dance under a homeless sky  
Tears twist the knife

I hope you're happy now  
I hope you're happy now  
I hope you're happy now  
I'm on my own  
I hope you're happy now  
Yeah, I hope you're happy now  
I hope you're happy now  
I'm on my own  
You were to have, not to hold

Another pill to kill the pain  
Another bullet to my brain  
Another lover in my bed  
Wishing you were here instead  
Another drink to get me drunk  
Another wall I'll have to punch  
God knows I'd kill myself  
To get over you  
To get over you

I hope you're happy now  
I hope you're happy now  
I hope you're happy now  
I'm on my own  
I hope you're happy now  
Oh, I hope you're happy now  
I hope you're happy now  
I'm on my own  
You were to have, not to hold

Another pill to kill this pain  
Another bullet...
