

# Honey to the Bee

Billie Piper

Mmm Mmm Mmm  
Come on buzz me up to heaven baby  
Mmm Mmm Mmm  
Come on buzz me up to heaven

I've been missing you I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee

I close my eyes and I see you clear  
It feels like you're lying here  
All the things I want to say come and go  
Easy as the breeze those words just flow  
I float on air light as a feather  
Your love so sweet like an open flower  
I'm dizzy from the time we spent together  
I need that honey drip every hour

I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your fingertips  
Baby don't stay away from me for too long

Mmm Mmm Mmm  
Come on buzz me up to heaven baby  
Mmm Mmm Mmm  
Come on buzz me up to heaven baby

You make me smile though you're far away  
I hear your voice like it was yesterday  
All the things you do make me feel so fine  
I wanna tell the world about a love that's mine  
These wings to fly are gonna last forever  
Cos one by one my dreams come true  
And I touch the sky whenever we're together  
I can't believe the joy I get with you

I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your fingertips  
Baby don't stay away from me for too long

I've been missing you I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the bee that's you for me

I've been missing you I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee come on and buzz me

(Heaven) you're the only one who can get me there  
(Heaven) when you gonna hear my prayer, yeah?  
(Heaven) you're the only one who can get me there  
(Heaven) when you gonna hear my prayer, yeah?

I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your fingertips  
Baby don't stay away from me for too long

I've been missing you I should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the bee that's you for me

I've been missing you I really should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the bee that's you for me

I've been missing you I really should be kissing you  
Honey to the bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the bee that's you for me  
Honey to the bee that's you for me  
Honey to the bee

Honey to the bee that's you for me  
Honey to the bee that's you for me  
Yeah, you for me
