

A13, Trunk Road To The Sea

Billy Bragg

If you ever have to go to Shoeburyness
Take the A road, the okay road that's the best
Go motorin' on the A13

Well, if you're looking for a thrill that's new
Take in Fords, Dartford Tunnel and the river too
Go motorin' on the A13

It starts down in Wapping
There ain't no stopping
By-pass Barking and straight through Dagenham
Down to Grays Thurrock
And rather near Basildon
Pitsea, Thundersley, Hadleigh, Leigh-On-Sea,
Chalkwell, Prittlewell
Southend's the end

If you ever have to go to Shoeburyness
Take the A road, the okay road that's the best
Go motorin' on the A13

It starts down in Wapping
There ain't no stopping
By-pass Barking and straight through Dagenham
Down to Grays Thurrock
And rather near Basildon
Pitsea, Thundersley, Hadleigh, Leigh-On-Sea,

Southend's the end

If you ever have to go to Shoeburyness
Take the A road, the okay road that's the best
Go motorin' on the A13
Go motorin' on the A13
