Farm Boy

Billy Bragg

Whisper under my breath, say a little prayer Same as I do every time, I step into the sun's bright glare I am just a farm boy, lived up on the hill Wanted to get away, now the army pays my bills

And I'm just dreaming of the time that I can go home I'm just dreaming of the time that I can go home

Here comes a captain, take his anger out on me Calls down fire upon my country's enemies Wants me to pick our targets but all that I can see Is farmers and their families and a whole lot of misery, yeah

'cause I'm just dreaming of the time when I can go home I'm just dreaming of the time when I can go home

Say a little prayer now, second one today Oh, sweet Jesus, won't you take my sins away?

I'm dreaming of the time that I can go home I'm just dreaming of the time when I can go home Yeah, I'm dreaming of the time when I can go home I'm just dreaming of the time that I can go home
