Billy Bragg

I've had relations with girls from many nations  
I've made passes at women of all classes  
And just because you're gay I won't turn you away  
If you stick around I'm sure that we can find some common ground

Sexuality  
Strong and warm and wild and free  
Sexuality  
Your laws do not apply to me

A nuclear submarine sinks off the coast of Sweden  
Headlines give me headaches when I read them  
I had an uncle who once played for Red Star Belgrade  
He said some things are really left best unspoken  
But I prefer it all to be out in the open

Sexuality  
Strong and warm and wild and free  
Sexuality  
Your laws do not apply to me  
Sexuality  
Don't threaten me with misery  
Sexuality  
I demand equality

I'm sure that everybody knows how much my body hates me  
It lets me down most every time and makes me rash and hasty  
I feel a total jerk before your naked body of work

I'm getting weighed down with all this information  
Safe sex doesn't mean no sex it just means use your imagination  
Stop playing with yourselves in hard currency hotels  
I look like Robert De Niro, I drive a Mitsubishi Zero

Sexuality  
Strong and warm and wild and free  
Sexuality  
Your laws do not apply to me  
Sexuality  
Come eat and drink and sleep with me  
Sexuality  
We can be what we want to be
