

# A100

Billy Corgan

Stay with me  
Just a little  
Lay with me  
Just a little  
Stay with me  
Just a little more

YOU ARE LOVE  
YOU ARE SOUL  
YOU ARE REAL TO ME

Some might say my love devours you whole  
Some might say that life is my love

Fools like us remind me trust  
The way I feel surround you up

Some might say my love is reaching you  
Some might say that life is waiting:  
Alone

YOU ARE LOVE  
YOU ARE SOUL  
YOU ARE TEARS  
YOU I KNOW

And I could love you  
I could love you home  
And all I ask for is that I love you  
That I love you more  
I would say empty things have empty dreams that find me

Some might say my love devours you whole  
Some might say that life is my love

Fools like us remind me trust  
The ways I feel surround you up

And I could love you, I could love you home  
In ways I feel surround you

YOU ARE LOVE  
YOU ARE REAL  
YOU ARE SOUL  
YOU I FEEL

Stay with me just a little more:

Cause fools like us remind me trust  
The ways I feel LOVE  
Do I feel love?
