

# Changing My Color

Billy Crawford

How could I ever hurt you?  
I knew the two of you were just friends  
And now I embarrassed you again  
(What did I do, what did I do)

And now you are leaving  
You say you are never coming back  
This time I've gone too far

Chorus:  
I'm changing my colour  
From green to blue  
Cause I'm losing you  
Please stay my lover  
Don't go away  
Changing my colour  
Cause I'm so sad  
From deep within  
To the outside of my skin

How could I just trust you?  
I knew that I was making a scene  
You know that I'm just a jealous guy  
(Didn't you know, didn't you know)

And now you are leaving  
You say you are never coming back  
This time I've gone too far

Chorus 2x
