

# Ride

Billy Crawford

I'm a take you for a ride  
With me - tonight

There's something that I want to  
Say to you girl  
Straight from my heart  
I'm never gonna hurt you  
Shake up your world  
Like he's doin

Justt ell him that you're busy  
Got things to do  
He won't be seeing you  
I'll pick you up at seven  
Taking you to heaven  
Cause girl...

Chorus:  
I'm a take you for a ride  
With me - tonight  
It's just a little drive  
Us two - so right  
I'm feelin such a vibe  
With you - so let's ride  
No need to fuss or fight  
With him - tonight

I'm a take you for a ...

Just tell me what you're feeling  
Baby I'd like to know  
Straight from your heart  
Tonight we're gonna be in  
A Fantasy  
So get in my car

I know what you've been thinkin  
You're torn apart  
But he don't treat you right  
I'll be on time at seven  
We're gonna be in heaven  
Cause girl...

(Chorus)

I'm a take you for a ...

(Chorus 2x)

I'm a take you for a ride  
With me - tonight  
It's just a little drive
