

Bad Day of Fishin'

Billy Currington

Got up at dawn just to be out on the water
Weather man said hot and gettin hotter
But he didnt say nothin bout it rainin like hell (oh well)
A bad day of fishin beats a good day of anything else

Had a big one on and man I woulda got 'em
But he took my pole straight down to the bottom
Leavin me with nothin, but a big ole story to tell (oh well)
A bad day of fishin beats a good day of anything else

We should prolly go to work, I mean everybody does
Instead of sittin out here in the middle of nowhere workin on a
pretty good buzz

Didnt catch a damn thing, guess you could say we took a lickin

Tonights fish fry is gonna taste like chicken
But we did just fine, if I do say so myself
A bad day of fishin beats a good day of anything else
