

# Don't

Billy Currington

don't cha hate hearing that clock on the wall chiming  
saying its timing  
don't you just wish we could stay round here together  
all day long  
you know it wouldn't be a crime  
if we crawl back in the bed  
about as close as we can get  
try to figure out where this thing is going

baby baby don't  
don't just say you're leaving why don't you stay a little bit longer  
got it going on  
and I just can't believe it  
this feelin it just keeps getting stronger

if you gotta go you gotta know I might go crazy  
here without you baby  
reliving every kiss you ain't leaving me like this it just ain't right  
waiting til tonight to light another flame you know it wouldn't be the same  
as the fire we got burning this morning

baby baby don't  
don't just say you're leaving why don't you stay a little bit longer  
got it going on  
and I just can't believe it  
this feelin it just keeps getting stronger

no no one else can love me like you do  
you know I ain't even close to through lovin you

baby baby don't  
don't just say you're leaving why don't you stay a little bit longer  
got it going on  
and I just can't believe it  
this feeling it just keeps getting stronger

don't baby baby don't  
no baby don't  
no no baby don't  
baby baby don't
