Enjoy Yourself

Billy Currington

If you hear music from down the street And you find yourself tappin' your feet Just ease on by if you want to There's only one thing expected of you

Enjoy yourself, have a big time Dance a little dance, drink a little wine Come on in, the water's fine

Enjoy yourself, let it all hang out And you'll know exactly what I'm talkin' about If you come on over without a doubt You'll enjoy yourself

Now you don't have to wonder what to wear What in the world are you doin' alone over there While we're havin a ball, just shakin' it loose Now come on sweet baby, ain't no excuse

Enjoy yourself, have a big time Dance a little dance, drink a little wine Come on in, the water's fine

Enjoy yourself, let it all hang out And you'll know exactly what I'm talkin' about If you come on over without a doubt You'll enjoy yourself

Oh, enjoy yourself, let it all hang out You'll know exactly what I'm talkin' about If you come on over without a doubt You'll enjoy yourself

So come on over, you gonna really help out And you'll enjoy yourself
