Have A Good Time

Billy Eckstine

Goodbye, I hate to see you go
But have a good time
So long, I'll miss you, dear, I know
But have a good time

Have your fling, begin with your new love? I'm setting you free Dance and sing pretend that it's true love Don't worry about me

I know the tears would only drive You farther away Just go, forget that I'm alive It's your holiday

When you're tired of being reckless and carefree Remember that I'm waiting to welcome you home So, you have a good time

When you're tired of being reckless and carefree Remember that I'm waiting to welcome you home So have a good time
