

If You Could See Me Now

Billy Eckstine

If you could see me now
You'd know how blue I've been
One look is all you need to see the mood I'm in
Perhaps then you'd realize
I'm still in love with you

If you could see me now
You'd find me being brave
And trying awfully hard to make my tears behave
But that's quite impossible
I'm still in love with you

You happen my way on some memorable day
And the month will be made for a while
I'll try to smile but can I play the part
Without my heart behind the smile?

The way I feel for you, I never could disguise
The look of love is written plainly in my eyes
I think you'd be mine again
If you could see me now

The way I feel for you, I never could disguise
The look of love is written plainly in my eyes
I think you'd be mine again
If you could see me now

You would be mine if you could see me now
