

Tonight

Billy Eckstine

Tonight, tonight, won't be just any night
Tonight there will be no morning star
Tonight, tonight, I'll see my love tonight
And for us, stars will stop where they are

Today, the minutes seem like hours
The hours grow so slowly
And still the sky is light, oh moon, grow bright
And make this endless day, endless night, tonight

Tonight, tonight, I'll see my love tonight
And for us, stars will stop where they are

Today, the minutes seem like hours
The hours grow so slowly
And still the sky is light, oh moon, grow bright
And make this endless day, endless night, tonight
