

A Wondrous Place

Billy Fury

I found a place full of charms
A magic world in my baby's arms
Her soft embrace like satin and lace
Wondrous place

What a spot in a storm
To cuddle up and stay nice and warm
Away from harm in my baby's arms
Wondrous place

Man I'm nowhere
When I'm anywhere else
But I don't care
Everything's right when she holds me tight

Her tender hands on my face
I'm in heaven in her embrace
I want to stay and never go away
Wondrous place

Man I'm nowhere
When I'm anywhere else
But I don't care
Everything's right when she holds me tight

Her tender hands on my face
I'm in heaven in her embrace
I want to stay and never go away
Wondrous place
